Hi Myla,

Writing to follow up on our conversation from a few weeks back. We will be able to accommodate a tour for interested MRC members on Friday, November 15. It would likely start at 9:30 and wrap up in the early afternoon so that participants have ample time to drive back to Kalispell or otherwise.

I am working with my colleague Nic Milligan of our Sparwood office. We will aim to have invite language to you and Sheldon by next week to send to MRC members.

On a related note, a media tour completed this week and included participants from the Flathead Beacon. An article was published today informed by that tour.

If any immediate questions about the tour or otherwise, please let me know.

Best,  
Meera
